

The Shmita Project Northwest

Congregational Partnership

The Shmita Project Northwest invites your congregation to become our partner in educating, inspiring, and building community around bringing Shmita values to life in our region.

Shmita Project NW will provide:

- Learning opportunities and educational materials
- Community space for clergy and lay leaders to collaborate and create Shmita-inspired social change
- Publicity for your organization's Shmita-related events
- A central platform for the region's Shmita activities

We ask your community to:

- Share your logo on the Shmita Project NW website
- Publicize Shmita Project NW events in your community
- Join us for a community-wide kickoff event on Sept 26, 2021
- Participate in a Hakhel celebrating the completion of the Shmita year during Sukkot 5783 (2022)
