

Cast Your Vote, Washington!

This October, Earth Ministry/Washington Interfaith Power & Light invites us to celebrate “Cast Your Vote Month” by learning how to put your faith into action for the wellbeing of our communities and the environment.

Cast Your Vote, Washington! is about actively choosing how we will work, live, play, pray, and be in relationship with the land through voting. **Simply put: Washingtonians commitment to protecting our communities and the environment is at risk on the 2024 November general election ballot.**

Yet there is hope! When people of faith and conscience vote our values, we have the ability to help:

- Increase the sustainability & RESILIENCE of FORESTS,
- Improve the HEALTH of OUR COMMUNITIES,
- Preserve the HEALTH of OUR CHILDREN, and
- Develop CLEAN ENERGY projects.

With our votes, we can express our call to safeguard a just, livable world for all generations, and Earth Ministry/WA IPL has the resources you need to ensure you are registered to vote and educated on environmental and community concerns appearing on this year’s ballot, **e.g. No On 2117 and No On 2066!**
